

**Hawaii-Pacific Chapter of the Medical Library Association**

Purpose: HPCMLA is an organization of professional librarians, individuals, and institutions in health sciences libraries. It is committed to:

- Promoting professional excellence among health care information providers
- Offering opportunities for educational and professional growth
- Providing leadership in the health care information field in Hawaii and the Pacific
- Providing a forum for the exchange of ideas and information
- Promoting cooperation among health science libraries
- Representing the Chapter before the Medical Library Association and other organizations
- Disaster assistance
